

North Short Brim Hard Hat

- HDPE Type I hard hat
- ANSI, CE/EN, CSA and NOM certifications
- Class E electrical protection (per ANSI Z89.1-14)
- Ratchet 4-point suspension
- Dual-Locking™ mechanism prevents the hard hat to get loose in normal conditions
- Resistant to temperatures from -30°C to +50°C
- Optional four-point chin strap
- Compatible with Honeywell headgear (face shields, welding, hearing)
- Comfortable for all-day wear
