

OIL / FUEL EMERGENCY SPILL KIT

120L | 240L

FEATURES & BENIFITS :

This large oil-only kit is highly recommended for construction sites, fuel stations, ports and power stations. When stakes are high and quick responses to spills of oil, fuel and solvents are required, this is the solution.

Inside the handy, wheeled bin is everything that’s needed to deal with an oil spill in or near water, helping protect our environment and keeping life safe.

Well stocked with specialist oil absorbent products to help protect the workplace and our wastewater, it also includes PPE gear to keep responders safe. With a tamper tag for peace of mind. Instructions also included
